

CHIEFTAIN FOOTBALL

Welcome to tonight's Logan Chieftain High School football game. On behalf of the administration, band, cheerleaders and football team, let me thank you for supporting our program. All of the students have prepared long and hard for tonight's performances. These efforts reflect the dedication and commitment each one has made to his or her program and to Logan High School. We hope you appreciate their untiring work and reward them with your support and enthusiasm.

Also, as fans, keep in mind the objectives of interscholastic athletics. Let us congratulate each player for facing the challenges of competition. Let us acknowledge the triumphs of the winners and show compassion for the disappointment of the losers. Most importantly, though, let us all respect the right of each fan to support his or her school to the fullest. Again, thanks for your support and enjoy the game.
