OLD BUSINESS

Uniforms will be delivered from Vanity on Monday, July 24th. We will need 3 to 4 people to help sort prior to handouts. Rochelle Hanson, Brenda Rowe, Christin Kilkenny, and Patty Lightfoot all mentioned they could help on Tuesday, July 25th at 5:30.

All Majorette Equipment has been ordered and received.

The new grills have been purchased and are in process of being assembled and brought over to the school.

The Rada Cutlery Fundraiser sale dates have been set. Sales will run from late October to mid-November. Additional information will be available as we get closer to the sale time.

Cathy Browning has agreed to serve as Majorette Supervisor for the season. She will be at all practices and performances to help supervise the girls. Cathy will receive a stipend of \$1,500 for the season.

Brandi is still researching charter bus options for the Hamilton Ross game. We will revisit this topic during the August meeting if additional information is available at that time.

Band motto T-shirts will be sold primarily via web site orders. Duane and Rochelle are currently working on a design and will add the motto once it has been chosen. This year we will offer both short and long sleeved shirts as well as hoodies and crew neck sweatshirts. All styles will be available in purple and gray. We can run multiple campaigns throughout the season as orders are needed. First campaign will run right after band camp.

Insurance Update(s) – Both Paula Rogers and Heidi Rimkus were here to speak about insurance. Paula clarified what coverages we have under the district's policy and Heidi offered additional clarifications regarding our policy with Logan Insurance. Both agreed that the next step is securing a complete inventory/asset list of booster owned equipment including concession stand equipment and band uniforms. We need to verify ownership of the gator and trailer as well. The more ownership the school officially has the more the school policy will cover.
